Student Testimonials

Students who graduated with their Diploma of Business qualification from Barrington College Australia.

"My experience with Barrington College could not have been better. The classes were inclusive and interactive with both self-study and group work. The course was great in the fact that it did not impede on other school classes and most of the study was completed during class time. I had no idea what I was going to study at university, but I found such an interest in business through my diploma studies that I chose to enrol in a Bachelor of Business at university."

Callum Moloney (Former student at Somerset College)

"I commenced my Diploma of Business at the start of Year 11 and was able to complete it in 12 months without compromising on commitments to school work or curricular activities. For me, the course assisted with my future studies - it not only provided a place in university, it also provided credit towards my business degree. I highly recommend Barrington College's Diploma of Business. It's an excellent course."

Sarah Ledingham (Former student at St Hilda's Anglican School)
